<ul style="list-style-type: none"><li>• <b>Crates for dangerous goods</b></li></ul>	\$ 185.00 per m3 (minimum 1.5 m3)

The above rates pertain to the most common forms of packaging for the North. If you have a specific need, please do not hesitate to call us, as we are equipped and experienced to handle your special requirements.

All Dangerous Goods consigned to NEAS must be accompanied by documentation detailing Proper Shipping Name, UN ID number, hazard class, amount shipped, and must be received in a UN approved Means of Containment ( fibreboard box, cylinder, tote, etc.). Failing this, the client will be notified and the goods will be refused until such time as proper steps are taken by the shipper in accordance with TDG Clear Language regulations.

Subject to NEAS Cargo Service Centre Terms and Conditions, available upon request
